

FU3A - AGM March 2017

Social Events Report

Social is a keyword in everything about FU3A and is evident in all our groups.

A team of five hard working committee members plan and organise enjoyable events open to all FU3A members in a similar way to open meetings.

We held autumn and xmas coffee mornings in Buckley. They were an opportunity to meet up informally and chat with other members.

In May we arranged a coffee morning aimed at new members at which group coordinators put up displays and gave out information to interested people.

July was the Summer Social Strawberry Tea at Gwernymydd. A great success with lots of fun entertainment .

We got involved with the Big Dee day in Sept for which a group of volunteers spent the day cleaning up Talacre beach alongside the FCC countryside warden. This was followed in Oct by volunteers doing some active Dune conservation.

In Dec we had the Xmas concert at the new venue of CQ Civic Hall. Excellent attendance, good entertainment followed by seasonal refreshments.

Another new venue this Jan for our New Year lunch. The Celtic Arms did us proud as did the young magician who entertained us at our tables.

Many thanks for everyone who helped in any way, without their support these events would not be so successful.
