Application for Start-up Grant for New Groups

All U3A groups should be self-financing however:

When an initial meeting for a proposed new group for Flintshire U3A has taken place and the group has met once, the group can apply for a **small** start-up grant if they need too. This can be used to offset the cost of their venue etc. for a couple of meetings until their own funds have built up it could also be an item essential to the running of the group.

Where possible, completed forms should be sent as an email attachment to: -
secretaryflintu3a@gmail.com

The applications will be considered at the next committee meeting after receipt of the form.
