

All Wales Annual Conference and Celebration

‘Endings and Beginnings’

Wednesday 8th May 2019

at

The Metropole Hotel, Llandrindod Wells

10.30 - 15.30

£13 per person, Coffee and Lunch included

The conference will mark the **end** of the Coastline and Border Celebration. It will celebrate the collaboration that has taken place between U3As across Wales over the past year.

We will hear from some of the U3As and members that have contributed to the project. An exhibition of examples, taken from the huge body of the work that was produced, will be on display at the conference, before it begins its journey around Wales.

Building on the success of the Coastline and Border celebration, the afternoon will see a **beginning** of a new shared learning project focussing on ‘Castles’. To start us off -

Bill Zajac, Legislation and Policy Officer from Cadw, will talk to us about the Castles in Cadw’s Care.

Please complete the booking form by following the link on the Wales website
